Welcome back, we have music for you again, it's been too long... We are open till midnight on Friday & Saturday and from October we have been featuring live bands, acoustic acts, a monthly open mic night and a Blues night the third Thursday of each month. Stay up to date with this newsletter with all the line-ups published early each month and emailed direct to subscribers.

Quench your thirst with an excellent beer or cider on tap, discover fine wines, sip boutique gins or premier spirits, perhaps explore some interesting guest ales from one of the many craft breweries in the area. At Christmas try our warm spiced wine or a flagon of our renowned hot cider with a dash of rum - it's sure to thaw out the iciest of winter dragons. We also have tea and coffee and alcohol free beverages.

We are dog friendly, we invite family groups and tables of friends or work colleagues to meet up. There are quiet corners for those who wish to enjoy a peaceful drink or snack while surfing the web via our free wifi.

4 Open Mic
