THE RED LION

This April, apart from celebrating Easter - which gives us all a chance for a cheeky rebirth!—we also feature Peter Orr, with jaw-dropping solos and epic vocals, and Whiskey Over Ice, a modern country band blending traditional charm with a fresh twist. pop in and check it out and watch the music cleanse the souls of the masses. There's something for everyone at The Red Lion Arundel.

We always have new guest ales on tap sample our Boutique gins and take a look at our menus. We always cook fresh to order have a look at our new wine list to accompany your meal as they say a meal without wine is like a day without sunshine or you could say a plate of food without our wine is like a town without The Red Lion.
